Frequently Asked Questions about NYLT?

National Youth Leadership Training is an exciting, action-packed program designed to provide youth members of the Boy Scouts of America's Program with leadership skills and experience they can use in their home troops and crews. **NYLT** is open to Boy Scouts, Venturers, Explorers, age 13 and older.

The NYLT course centers around the concepts of what a leader must *BE*, what he must *KNOW*, and what he must *DO*. The key elements are then taught with a clear focus on *HOW TO*. The skills come alive during the week as the patrol goes on a **Quest for the Meaning of Leadership.**

NYLT is a six-day, leadership course. Content is delivered in a group and team outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work process are introduced early, built upon, and aided by the use of mnemonics (memory aids), which allows participants to understand and employ the leadership skills much faster.

The purpose of the **NYLT** course is not to assume the Scoutmaster's or Crew Advisor's role of training junior leaders, but to support it. The Aims of the **NYLT** course are:

1. To teach and practice key leadership skills and relate these skills to the Scout's responsibilities.
2. To give the participants the confidence and knowledge to lead.
3. To give participants the opportunity to share ideas and experiences with Scouts and Venturers from other units.
4. To create an atmosphere where Youth will experience "Scouting at its best".
5. To enhance the relationship between the participant and his or her adult leader.

NYLT focuses on teaching advanced leadership skills in a team-building atmosphere based on the patrol method. Participants will be regularly challenged to accomplish activities and projects using the leadership skills taught in the course.

We set the example as a Youth-led troop as all the teaching is done by the Youth staff. Adult Staff is present in support.

Is NYLT just like a week at summer camp?

No. Although there is an emphasis on fun, **NYLT** is a leadership training course in an outdoor environment. There are no rank advancement opportunities during the week. The purpose of this course is to develop leadership skills that Scouts will use in their home troop and throughout their lives.

Is any special equipment needed?

An equipment list will be sent to each participant in late May. Most Scouts participating in an active troop outdoor program should already have the necessary equipment. The ***complete and official BSA field uniform is required***. A fully completed and current BSA Class 2 health form (the one used for summer camp is acceptable) will also be required.
