This is a community service project benefiting the Boys and Girls Club of Waterville. To those of you that can make it to the camp please bring wheel barrows, rakes and shovels as the camp doesn't have any of those things. In exchange for the work done at the camp, the lodge can get the use of the Alford Youth Center in Waterville for free for the upcoming American Indian Activity in January.

- 3.7. Election Season
 - 3.7.1. Chapter chiefs should start training their chapters for the 2010 election season, and start talking to troops about elections.
- 3.8. Honor chapter?
 - 3.8.1. Brandon Lyon says that no chapters contacted him about Elangomat trainings, which is a requirement for Honor Chapter. He will be discussing this with Jarod.
- 4. Other
 - 4.1. Bruce says that we need to contact people about paying their dues for 2009. We are still 30 members down from positive growth. Discussion was had over whether or not to offer another discount – we don't want people to get in the habit of waiting until December to pay less for their dues. A mailing will be sent to the 200 members who have not paid their dues.
 - 4.2. At the Banquet, each Chapter should have a person checking to see if attendees from their chapter have paid their dues.
 - 4.3. John Trott Jr told the LEC how unhappy he was with the quality of the summer Brotherhood conversions. He said that they were terrible, not meaningful, and really needed improvement. Our ceremonies teams need to coordinate their efforts so that they are all trained and on the same page. Ceremonies affect retention – new members remember their ceremonies and we

need to work on improving them if we expect to get those members back.

4.4. Bruce brought up the 2011 Indian Summer – we should consider sending a contingent.

4.5. Wayne wants to know if anyone has some Tylenol.
