Fall is the season we welcome many new Scouts and the world of Scouting as we hold many recruitment nights! I love seeing the excitement of the brand new Tiger Cubs as they sign up, and hear about all the activities they will be able to do in Scouting!

Fall brings lots of new activities and I hope you will get out to enjoy a fall camporee, attend Trailblazer Day, a sports event or pack or troop activity with your Scouts!

It is also time to reflect on our summer camp season on what we did well and what areas we need to improve on for next year as we start that planning process! On behalf of the Pine Tree Council, I would like to thank all of the leaders, parents and camp staff members that volunteered and helped bring Scouting to life at camp!

A special event held this summer, was the 1st Eagle Scout Reunion with over 400 Eagle Scout and their families enjoying a day of reminiscing and activities at Camp Hinds! The oldest Eagles that attended earn their Eagle back in the 1930's! It was a great day and my thanks to the Camp Hinds staff for putting it on!

So enjoy the fall and all of the great activities along side your Scouts!

Yours in Scouting,

*Pete*

## Winter Sports Safety-Helmets

The Boy Scouts of America have announced an upcoming change to the Winter Sports Safety section of the [Guide to Safe Scouting](#).

Currently, Section 3 states that "Suitable clothing for the activity and environment should be worn at all times, and equipment should include gloves and helmets when appropriate."

Based upon the review of General Liability claims history, along with a recommendation by the Risk Management Advisory Panel (two Scout executives from each region), and input from the Health and Safety Support Committee, the following change will be made to the *Guide to Safe Scouting* and published as an Alert on Scouting Safely.

"Appropriate personal protective equipment is required for all activities. This includes the recommended use of helmets for all participants engaged in winter sports such as sledding and other sliding devices. The use of helmets is required for the following activities: downhill skiing, snowboarding, and operation of snowmobiles (full-face helmets)."

When units are engage in winter sports, they should only use designated areas where rocks, tree stumps, and other potential obstacles have been identified and marked, cleared away, shielded, or buffered in some way.

# A Century of Values

"If you are going to celebrate a 100<sup>th</sup> anniversary, do it in a big way." That's the philosophy of six adult volunteers from Michigan who visited the Pine Tree Council on Wednesday, June 10<sup>th</sup> during a unique 45,000 mile, year long road trip, helping all Boy Scout councils throughout the United States kick off their local celebration of 100 years of Scouting's role in character and leadership development.

Dubbed "A Century of Values," the road journey team launched their official kickoff in Laingsburg, Michigan on February 8, 2009. The caravan is winding its way across the country, scheduled to end in Irving, Texas at the National Boy Scout Museum on February 8, 2010, the 100<sup>th</sup> anniversary of the Boy Scouts of America. For more information on the entire tour you can visit them at [www.acenturyofvalues.org](http://www.acenturyofvalues.org).

At each stop the group is donating a commemorative "Century of Values" print to each council. That print is pictured being accepted from left to right by Council Vice President of Marketing, John Newcomb, Marketing Committee members Kevin Reader, Fred Aboroa and Jeff Messer, as well as Scout Executive, Tony Rogers.

## 2009 Youth Law Enforcement Academy

They came from as far north as Caribou, and as far south as Scituate, RI to attend the 17<sup>th</sup> Youth Law Enforcement Academy at the Maine State Police Training Center in Vassalboro. This year twenty-nine young men and women (pictured) graduated from the intense and rewarding program. All had great things to say about the program, and a week's worth of memories they will cherish forever. Most who attended also expressed their interest in pursuing Law Enforcement as a career as a result of their week-long experience.

From practicing traffic stops to the F.A.T.S. (Firearms Training System) machine, the youth learned the ins and outs of Law Enforcement. The Academy concluded on Friday with the youth getting a chance to show off the marching they had learned for their parents followed by a graduation ceremony.

None of this could have been possible without the support of the Maine State Police, this year's Cadre, and Course Director, Trooper Michael Chavez (also pictured). Thank you very much and congratulations on another great year.
