PTC Scout makes cover of Boy's Life!

Pine Tree Council Eagle Scout and Camp Hinds staff member, Spencer Hawkes, was the model for the July 2010 Boy's Life cover! Spencer is an art student at Brigham Young University in Utah when a professor asked to use his likeness as the man on the cargo net!!

Way to go Spencer!

Pine Tree Council, BSA

President's Message

As you read this I will be at or just returning from the 2010 National Jamboree where I am serving as an Assistant Scoutmaster for one of the Pine Tree Council's troops! I have looked forward to this event. Along with the 80 other Scouts and Scouters attending from the PTC! The 2010 National Jamboree is sure to be a highlight of my scouting career and I hope that you have some of your own highlights this summer!

I hope that all of our packs and troops attend one of our camp programs this summer and enjoy all that summer camp has to offer!. Attending summer camp helps our youth put to use the tools of life that the leaders have been teaching them all year long. They get to practice the patrol method and buddy system, use the knots and skills they have been taught, learn new games, earn advancement and much more. Studies show that Scouts that attend summer camp programs also return to scouting in the fall which is what we want!

2010 is the 100th anniversary of the Boy Scouts of America, and plans are in full force for our 100th anniversary celebration at "Scout Fest 2010" which is to be held in October at the Windsor Fairgrounds! Every Scout and family in the Pine Tree Council should be planning for this event! It will knock your socks off! I hope to see you there!

I am pleased to be part of such an organization that teaches our youth and adults these values and can honestly say that Scouting has changed my life for the better!

Yours in Scouting,

Pete

FunPack Weekends

There is no better way to enjoy the outdoor program of Cub Scouting than to attend one of our popular FunPack Weekends. Each weekend offers a great opportunity to experience the excitement of overnight camping with your son.

2010 FunPack Theme

Our Theme for FunPacks will be "Treasure Island Adventures"!!! FunPack Weekends will travel to visit different ports of call along the wild seas with lots of fun activities along with the chance to explore the great outdoors, learn new skills and enjoy being a kid! Our Saturday evening campfire will be filled with super island fun and lots of special guest pirates, so bring your "Pirates or Treasure Island Costume" and join the staff for lots of fun!

A GREAT PACK ACTIVITY!

Our purpose for the FunPack Weekend is to provide an environment to strengthen the parent/child relationship and introduce you to the fun and adventure of camping. Most Cub Scout Packs choose a particular weekend or weekends to attend and register together as a pack. Use this activity to qualify for the Summertime Pack Award or the Cub Scout Outdoor Activity Award!

Sorry, but due to space restrictions, siblings are not allowed at FunPacks!

Camp will provide the campsites with tents and cots along with a great program! The pack is responsible for food and cooking at all FunPack Weekends. Most packs find that this can be a very fun activity in itself. During the day, you will experience exciting activities! Enjoy your time at the Craftshop, BB & archery ranges, swimming, sports, nature hikes and games! As evening comes wind down with a quiet campfire and enjoy the fellowship of your pack in your site. Marshmallows and s'mores are a must!

A FPW Leaders Guide is on our wweb site at www.pinetreebsa.org. The guide gives information on arrival times, what to bring, health forms, daily schedule and directions to camp!

Pine Tree Council's Newest Employees

Adam Corzatt—Downeast District's New District Executive

Adam is a native of the Pacific Northwest, having been born and raised in Portland, Oregon. For most of the past decade, he has been pursuing an education in music, earning a Bachelor of Music degree in Trombone Performance from the University of Oregon, and a Master of Arts degree in Music History from Case Western Reserve University in Cleveland, Ohio.

Adam has been a lifelong scout, beginning as a Tiger Cub and continuing on to earn Eagle in December of 2000. A passion for Scouting led Adam to get his first job, at the age of 14, working as "Nature Boy" at the Cascade Pacific Council's Camp Discovery. Later Scout camp adventures include one particularly memorable summer working as a cook and lead baker at Camp Meriwether on the Oregon Coast feeding 600 campers nightly. In his spare time, Adam has been known to partake of a variety of activities such as restoring an old Volkswagen Beetle, going on spur of the moment 50 mile bike rides, spending countless hours reading, building a model railroad layout, playing the banjo and bagpipes, and even listening to an occasional German polka band record.

We welcome Adam to our team at the Pine Tree Council!

Pine Tree Council extends a warm welcome to Cathie Paradis, who goes by Katie to our team as our Bookkeeper Specialist!

Katie is a CPA who lives in Scarborough with her husband and three children and come to the PTC with a strong background in accounting!

Welcome Katie!

Mandatory Youth Protection Training -

As of June 1st, 2010 any registered leader with a scouting unit MUST have current Youth Protection Training. This includes ANY leader registered with the unit except the Chartering Organization Head. In September of 2010, every unit in the Pine Tree Council will receive their Annual Recharter Packets. Each unit will be, from 2010 onward, rechartering their unit in the month of December.

Your unit WILL NOT be able to register any leader who has not completed Youth Protection Training this December, 2010 and your unit will not be able to re-charter unless you have the minimum number of leaders Youth Protection Trained. What you need for re-charter is as follows –

Committee Chairman
Chartering Organization Head
Chartering Organization Rep.
Member of Committee #1
Member of Committee #2
Den Leader (Pack's Only)
Cub Master/Scout Master/Venture Crew Leader

There are many ways you can get all of your leaders trained in Youth Protection by December, 2010.

Please contact your District Training Team, Commissioner Staff, or District Executive to take advantage of any of these opportunities/methods to receive training

– Take the training Online VIA

www.myscouting.org. Print the certificate at the end of the training and submit it with your charter, and you keep a copy for your records.

Have a Pack Trainer, Commissioner, or District Training Team Member visit your unit and train your leaders in Youth Protection. Make sure you fill out a Training Attendance Record and attach a copy of the Training Attendance Record to your charter, and keep a copy for the unit.

Attend a Council or District Training this fall and receive Youth Protection Training. Attach a photocopy of the Trained Card you will receive to your charter.

Be advised that any NEW leader that your unit wishes to register must ALSO take Youth Protection Training and attach a copy of the completed training to their application before they will be accepted into the or-

ganization. New leaders can take training by visiting www.myscouting.org and create an account WITH OUT a membership ID number. This function will allow a new leader access to the Youth Protection Training only, and they must print off a copy of their certificate after completion and attach it to their application – and keep a copy for the unit.

This new policy is our way of doing all that we can to ensure that the leaders we are accepting to work with our youth are of the highest caliber. We understand that as we implement this new policy this fall that we will need to be patient and flexible in order to make the rechartering process this December a success. DO NOT WAIT until December to get your leadership trained in Youth Protection. IF YOU HAVE QUESTIONS ask a District Trainer, Commissioner, or your District Executive for help. There are many ways to train your leaders, you just need to ask for help when you need it.

www.myscouting.org is a wonderful resource and the quickest way to get your leaders trained. Make sure they have their membership ID number and encourage them to take the training online this summer. Ask for copies of their training certificates and keep them on file with your unit.

Thank you all for your cooperation and patience.

Commissioner Rechartering Training

On August 14th Pine Tree Council Commissioner, Clinton Staples, will be holding a Rechartering Training for all Commissioners. The goal of the training is to ensure that all Commissioners understand each part of the process, and the roll that they play in the process. With our 2010 Rechartering happening all in December it is going to absolutely critical that we hit the ground running this fall in order to have a successful Rechartering season. More details on the training and the location will be announced soon. All Commissioners should mark their calendars and plan on attending.

2010 Popcorn Sale Updates

In order to ensure a great sale in 2010, please be aware of the following resources and activities designed to support your unit –

Visit the 2010 Popcorn Facebook Page for Pine Tree Council and become a member. We will be posting tips, ideas, resources, and dates on this page beginning in July. It is also intended to be a tool for units to use to talk to each other, share ideas, and ask questions. You can reach the page by going to WWW.Pinetreetsa.org and clicking on the “Popcorn Facebook” button at the top of the page.

Each unit will be receiving a Popcorn Kick Off Kit and Leader Playbook this year (with sales dates and contact information). They should be in the office during the month of July. When the kits arrive all the units on our E-mail list will be contacted. If you can not pick up your kit at the office, they will be available at your District Program Launch this August. Please contact your District Leadership for more information on the date, time, and location of your program launch.

If you want to be added to the Popcorn E-Mail List, go to www.Trails-End.com and update your unit’s profile information, with an accurate e-mail address.

Flyers for the 2010 Sale will be mailed to each Scout during the first week of August. They may begin selling popcorn once they receive their flyer. Don’t forget about the Online Sales resource for Scouts to use as well.

Hold a Popcorn Sale Planning meeting this summer. Figure out what you need to raise for funds to do programming in 2010, break that number into a per-scout goal, and plan from there. Once you know what you need it is easier to make a plan to reach that amount. Your District Popcorn Kernel and District Executive are both available to help you with this process.

Unit Show and Sell Orders will be due to the council by August 27th by 5 pm. Please keep this date in mind.

BEASCOUT on www.Myscouting.org –

From 2010 onward perspective scouting families will be able to visit www.scouting.org and find a local unit by simply doing a search by their ZIP Code. The result of the search will be a google map of their town with the meeting locations of each of the local units marked by a pin on the map. When the family scrolls their mouse cursor over the pin, what will pop up will be the contact information, meeting location, time, etc. Of the unit in question. The family will then be able to contact the unit that best meets their needs VIA an e-mail or phone, and it is the unit leader listed on the pin will receive these requests automatically.

In order for this to work, the information for your unit that is listed must be accurate. Right now what is listed in the phone number and name of your Scout Master, Cub Master, or Venture Crew Leader – and that is based upon what is on record in the ScoutNet system. Each unit should access their unit’s information for BEASCOUT and update it by the 2nd week in August, 2010 in preparation for the fall. To do this, the unit must do the following steps (right now only the Scout Master, Cub Master, or Venture Crew Leader can access the BEASCOUT account for your unit. Once they go into the system for the first time, they can add and change the folks who can access and maintain the account from that point forward) –

Go to www.myscouting.org and sign into your account. If you don’t have an account, you need to create one.

Click on the BEASCOUT tab on the left side of the page.

Click on the MANAGE UNIT PIN tab at the top of the page.

Make the changes you need to in order to update the page and save the file.

This tool is designed as a resource for your unit to take advantage of. You can customize your unit’s icon, post updates, etc. Play around with the sight and become comfortable with it.

If you run into problems, please contact your DE for further assistance.

2010 Youth Law Enforcement Academy

They came from as far north as Dover-Foxcroft, and as far south as Lebanon to attend the 18th Youth Law Enforcement Academy at the Maine State Police Training Center in Vassalboro. This year twenty-nine young men and women graduated from the intense and rewarding program. All had great things to say about the program, and a week's worth of memories they will cherish forever. Most who attended also expressed their interest in pursuing Law Enforcement as a career as a result of their week-long experience.

From practicing traffic stops to the F.A.T.S. (Firearms Training System) machine, the youth learned the ins and outs of Law Enforcement. The Academy concluded on Friday with the youth getting a chance to show off the marching they had learned for their parents followed by a graduation ceremony.

None of this could have been possible without the support of the Maine State Police, this year's Cadre, Assistant Course Director Deputy Randy Williams, and Course Director, Trooper Michael Chavez. Thank you very much and congratulations on another great year.

AREA SEA SCOUT UNIT HELPS COAST GUARD WITH "PARADE OF LIGHTS"

South Portland—Several Scouts from local Sea Scout Ship #12 spent part of a very cold and blustery day Saturday (Dec. 12) helping to decorate the USCG Cutter Shackle for the annual holiday "Parade of Lights" in Portland harbor.

The Scouts have done this for the past three years to help thank the Coast Guard.

The Coast Guard has been very helpful to the Sea Scouts, providing various training sessions, on-board time on USCG ships, space for meetings, water safety advice and more.

The Shackle is a 65-foot icebreaking harbor tug that can perform multiple missions for the Coast Guard.

Sea Scout Ship #12 is chartered by the South Portland/Cape Elizabeth Rotary Club and serves young people ages 14-20 from the southern Maine area. Their leader is "Skipper" Steve Price, who may be contacted for more information at 885-9176.

The Cub Scout Program Delivery Method Has Changed!

Don't worry; the program itself is still the same, the change is simply based on how the current Cub Scout Handbook materials are being presented. Now, there is a stronger focus on Den Meeting activities which has proven successful at getting the kids to move toward advancement more smoothly. Coupled with that, the new delivery method has shown a higher retention rate for the scouts, so more Cubs are moving up into the Troop. For more information, please visit the National Scouting Web-site.

<http://scouting.org/scoutsource/CubScouts/Leaders/NewDeliveryMethod.aspx>

Program Launch

With the start of a new school year comes the start of a new Scouting season. To kick-off this season in all its splendor, we will be having a Program Launch at Sherman Lake Park (the rest area on Route 1 between Wiscasset and Damariscotta). This is the time to meet new people and get the latest information on the Scouting Program, Training, Advancement, Events and more. The Launch is scheduled for Wednesday August 11th at 7 o'clock in the evening. This date coincides with the date and time for the regular Round Table meetings which will start up again in September and continue through the year on the second Wednesday of each month. More on regular District meetings and events can be found on the District Web-Site's Event Calendar: <http://www.downeastdistrict.org/event>

District Chair Stepping Down

After a great run working with the Downeast District as the District Chair, Mike Marriner will be stepping down from his position. We would like to say "Thank You" to Mike for all of his hard work and we hope that he will continue to show his support for the Scouting Movement as he is able. The District is organizing a nominating committee to fill the position as soon as possible, in an effort to make the transition as smooth and seamless as possible.

In Search Of Commissioners

The Downeast District is always in need of some more volunteers to help us improve our unit service by working as a Commissioner. If you might be interested in working as a Commissioner, please contact Jeff Northgraves, District Commissioner, at jeffns@knoxcounty.midcoast.com

Downeast Has A New District Executive

After six months of Field Director Matt Randall filling in as District Executive following Steve Saucier's move to York District in January, the Downeast District has finally found a new District Executive. Welcome to Adam Corzatt.

Thank You!

We at the Boy Scouts would like to say "Thank You" to everyone who has helped out the Scouting movement, whether financially or with volunteer hours, or even simply driving your son to a meeting. You are the folks who make Scouting possible millions of young people every year. Thank you for everything you do to help our Scouting family. Keep up the good work.

FALL CUB SCOUT SIGN-UPS

Even though summer vacation just begun it's not too early to start planning your pack's fall sign-up night.

We would like as many packs as possible send us the following information by our August 4th Program Launch...

1. Sign-up date, time and location 2. Contact name and phone number 3. What you need for flyers

Even if you don't need us to make you flyers please still let us know about your fall sign up efforts so we can be ready to help potential Scouts in your community find your pack if they contact us.

While we know some packs just won't be able to get us dates until later, whatever we can get by August 4th will give us plenty of time to start getting flyers together. With 5 district using our office to put out tens of thousands of flyers going to hundreds of units the more lead time you can give us the better.

Some things to consider for a fall recruitment night...

- If possible try to have it be it's own meeting or event so you can have time to meet with new families and talk to them about your pack
- Events such as school openhouses or fairs offer great opportunities to promote your pack BUT do not take the place of a good sign-up meeting
- You're not just recruiting Scouts but parents too, have adult applications and a list of jobs you're looking for help with
- On flyers offer just the start time (and not the end time). It's easier to get parents all the info they need when they're not coming in at different times.

District Event Thank You's:

We would like to thank all the individuals and units who helped sponsor District events recently including; K-Valley District Spring Camporee, May 21 – 23, 2010 @ Clinton Fair Grounds, & K-Valley Tiger Fun Day, June 12, 2010 @ Old Fort Western & Kennebec Celebration. Everyone enjoyed the program at each of these events. Thank you for making it possible.

Planning Ahead for 2010-2011 in K-Valley District:

The K-Valley District Leadership team is committed to excellence as evidenced by the recent Leadership Summit hosted by Rick Denico @ Northcenter in Augusta. In place of a June Round Table it was decided to conduct a brain-storming and problem-solving session for each individual District sub-committee. We enjoyed a great meal, a time of fellowship and discussion and created several focus points for each sub-committee to work on over the summer. Many thanks to our host for providing this excellent opportunity at no cost to the individual participants!

Up-coming K-Valley District Events:

ScoutFest in our backyard! Don't miss the opportunity to fully participate in this year's 100th Anniversary ScoutFest at the Windsor Fair Grounds. This will be a once-in-a-lifetime chance to celebrate Scouting like never before. Look for more information on the Council Web-site.

We are looking to secure our hosts for all of the major events for 2011 including: Klondike Derby, Spring and Fall Camporees, Pine-wood Derby, and several other Cub Scout District Events. If you have any suggestions or ideas please contact: Karen Douglas (207) 623-7298 or kdouglas@augustaschools.org

Round Table:

K-Valley District Round Tables will officially begin again in September, but don't miss the Program Launch in August where your Unit will receive all the latest information about Program, Training, Advancement & Recognition, Activities & Civic Service, Camping & Outdoor Program opportunities. This Program Kick-off is slated for August 11th @ Camp Bomazeen but watch the K-Valley website for possible changes: <http://kv-scouts.org/calendar.aspx>

K-Valley Commissioners:

We are always looking to improve our Unit Service through our Commissioning Staff. *Congratulations* to those who have been promoted to Assistant District Commissioner and *Welcome* to all the Unit Commissioners who have recently joined our staff. It is a pleasure to work with such dedicated individuals. If you are interested or want to learn more contact District Commissioner Charlie Ferguson at 549-7751 or Chuckemian@aol.com.

Thank you to all our Volunteers!
