Although 2020 was a challenging year for the Pine Tree Council, we worked hard to provide the best, and safest, program we could. We were one of a few councils in the country offering a summer program for our scouts. The results were outstanding! Through 4 weekends of camping in July, we camped **387** scouts, giving them the opportunity to earn **693** merit badges. **88** Scouts attained the rank of Eagle Scout.
